MEMORANDUM FOR: Chief, Procurement Division, OL

THROUGH : Chief, Support Staff, NPIC

ATTENTION :

SUBJECT : Approval for Purchase of G. F. E.

1. Task Order #3, certain test apparatus was to be purchased by as part of the contract. A clause in the contract reserves the right for the Government to substitute Government owned property for proposed purchases or to specify the brand of equipment to be bought. The list of proposed purchases has been reviewed by the technical staff, and changes appear unnecessary and would perhaps be detrimental to the study.

2. It is recommended that a letter be sent to waiving the Government's option to substitute equipment or specify brands. Since most of the work under the task requires the use of this test apparatus, a rapid response would be greatly appreciated.
